August 2021

reetings unto the Populace!!

The Midrealm once again has Heirs!!! The Crown Tournament has been fought, and Their Royal Majesties, Felix and Madeleina, have successors to the Dragon Throne. Congratulations to Their Royal Highnesses, Ullr and AnneLyse! DRACO INVICTUS!

We are officially just under two weeks away from having our first event in our Barony in over a year and a half. And we hope everyone is as excited as we are! If you haven't preregistered for the event yet, please don't wait! Do that today!!

I know we are all going to be happy seeing everyone again, in garb, doing what we love. But please remember, this is our first time back together. Some people may need some space, others some quiet time. Please be aware of each other's health and boundaries.

With that said, we look forward to seeing everyone at the various meetings, practices and events throughout our Barony and the Midrealm.

YIS,

Cadwgan and Eadaoin
Baron and Baroness of Brendoken

Baronial Rapier Champions Tourney

Heavy are the heads that wear the coronets, and sometimes Their Excellencies need nothing more than a quick joke to lighten the day. There are no Baronial Jesters, so the job falls to the Champions. To help Them choose a Champion with a wit as sharp as a sword, this year's championship will include joke telling.

The tournament will be round robin, best of three passes. The first pass of each pairing will be "fought" with jokes, which will be judged by Their Excellencies and the current Champion. Please keep your jokes short, as the audience will be armed and no one wants to hear a 20 minute rendition of Nate the Snake. His Excellency has declared that there will be extra points for Dad jokes, and extra extra points for medieval Dad jokes.
